

Premium Table Top

NEW

Class Of Its Own!

Relaxn's new Premium Table Top bears the signature of state of the art moulding technology. Manufactured marine grade heavy-duty white acrylic top with a robust solid mounting area and solid ribbed underlay for extra strength and support, the Relaxn Premium Table Top is built to last.

The lipped edge prevents spills and the moulded stepped cup holders support up to two different sizes.

The Relaxn Premium Table Top is in a class of its own!

Features:

- Moulded heavy-duty marine grade plastic.
- Wear resistant surface.
- Solid mounting area.
- Ribbed underlay for extra strength and support.
- No mounting pattern required.
- Lipped edge.
- 4 moulded cup holders.
- Stepped cup holders allows two different sizes.
- UV stabilised.

Note: 1/2" - 3/4" screws recommended for mounting to the pedestal. (Not included)
